1. The 100 million government bonds issued 18 months from the date of issuance, and the 100 million dollar delay in the publication of the annual report of the Treasury Department, will be the only two factors which will cause the government to be in a position to pay the 100 million dollar bonds. The publication of the annual report of the Treasury Department is the only factor which will cause the government to be in a position to pay the 100 million dollar bonds. The publication of the annual report of the Treasury Department is the only factor which will cause the government to be in a position to pay the 100 million dollar bonds.
